

NORTH PLATTE R-I SCHOOL DISTRICT

North Platte Panthers

Summer 2019

A Message from the Superintendent:

The 2018-2019 school year has come to an end and our students once again had a great year academically and in their many activities they can participate in at North Platte.

On May 12, an excited crowd watched 45 seniors graduate from North Platte. They consistently were a group that had strong participation and excelled in many areas of their academics and activities. They will be remembered as an outstanding class that represented the North Platte community well throughout their years in the district.

The North Platte Foundation Golf Tourney was recently held on June 7 at Shiloh Springs Golf Course in Platte City. The proceeds from this tournament directly benefit our students at North Platte by providing funds to generate scholarships for our graduates to utilize as they pursue their post-secondary education. If you would like to donate or set up a scholarship through the foundation please contact our central office and we can assist you.

The summer is traditionally a time where we complete several renovations and upgrades throughout the summer. This summer's schedule will include upgrades in our weight room at

the Dearborn campus, refinishing the gym floor in the junior high, restoring the new junior high building to new construction quality after one year of use, installing a drain line to facilitate better drainage at the elementary school, and normal annual repainting and recovery of each facility.

Another upgrade that will occur this summer is the implementation of a new website. This will include a more modernized appearance and new features. Along with this we will be converting over to a new text alert system and we will also be adding a school app that will allow for several new school related options and informational techniques. More information will be coming out from the district on these developments as we near their implementation.

Summer school has begun for grades K-8th at the Elementary School in Camden Point. Summer school will continue through June 28. If your child is not attending but you would like them to you can still sign up by calling the Elementary school at (816) 450-3511.

A program that is now being implemented by the Department of Elementary and Sec-

ondary Education (DESE) is the "Read More, Missouri" reading challenge. This program is designed to offset the summer slide by encouraging students to read during the summer. Information on the program can be found at

<https://dese.mo.gov/communications/news-releases/stop-summer-slide-read-more-missouri-reading-challenge>

I hope this summer is an enjoyable one for all in our community. Please contact me at 450-3511 if you have questions, ideas or concerns.

Karl G. Matt

NEWS FROM THE SCHOOLS

Elementary

Another year has come to an end for North Platte Elementary. Students, staff, and faculty made many great memories this year. The students in each grade have worked hard all year to master standards, but there was still room for some fun.

Kindergarten spent time the last quarter researching zoo animals. The students enjoyed learning about different animals and their habitats. The students went to the Kansas City Zoo to see the animals they had been researching. Kindergarten also spent time this quarter preparing for the Kindergarten Graduation. It was wonderful to see so many of our students' families and friends come out to support them on this night. The students did an amazing job with their performances at graduation.

First grade has been busy as well. First grade students have been working all year on mastering their addition and subtraction facts. All the students worked hard and were rewarded with a celebration. First grade has also been learning about American symbols. Each student has created a booklet of American symbols.

Second graders finished up their last year at North Platte Elementary. Next year these students will be starting their first year at North Platte Intermediate. They spent their last quarter at

NPE learning about the Pony Express and pioneers. They ended their unit by taking a fieldtrip to the Pony Express Museum. This class is a great group of kids and we are proud of all they have accomplished while at NPE.

First and second graders have been reading books and taking Accelerated Reader quizzes throughout the year. The students that reached their goal were able to participate in the AR Bash. Students enjoyed a day of fun and bouncing at Fun Run in St. Joseph. All the students worked hard this year becoming stronger readers. Make sure to read with your kids this summer to keep inspiring them to love reading!

All the students had a fun time participating in Field Day. The students rotated through different stations. They had sack races, cup stacking races, sprint races, and a long jump contest. They also had time to play in the PTA bounce house. It was a great day full of fun and great memories were made.

From time to time the students from the high school get to come down to the elementary for various activities. This quarter the high school Panther Pals met with some first and second grade students. This is a great program through the FFA. Second grade students were able to spend some time with high school stu-

dents through the Healthy Snack Club. This club was part of a grant through the MU Extension office which gave the high school students taking Child Development class an opportunity to teach the second graders about making healthy life choices.

North Platte Elementary Orientation will be on August 19th at 6:30. Students can bring in their school supplies and meet their teacher. Parents will be able to attend a short presentation with the classroom teacher and gather information about the school year starting at 6:30. School will start on Tuesday, August 20th. NPE is already looking forward to another great year! As always, thank you for allowing us to spend time with your kids and or your support.

Kellie Goodlet

Intermediate

The school year has ended and summer is here! North Platte Intermediate finished fourth quarter with 153 students enrolled and overall student attendance at 95.32%. This last quarter has been packed with activities and events for students and staff. The PTA held their school carnival at NPI. Students and staff completed MAP testing and enjoyed a MAP Bash. Grades 3-5 attended Bases are Loaded and their individual field trips. Mrs. Tollefson and Mr.

(Continued on page 5)

(Continued from page 4)

Kauffman produced our NPI Spring Concert. Mrs. Lammoglia organized our Pennies for Patients drive and our first Career Fair at NPI.

The North Platte PTA held The Candyland Carnival of Dreams on April 5 at NPI. The carnival was decorated with a candy theme and students enjoyed the various activities. The PTA provided a concession stand, inflatables, and many games for North Platte families to enjoy!

Mrs. Lammoglia kicked-off our Pennies for Patients Drive on April 26. Students participated in an assembly held by the Leukemia and Lymphoma Society. Students began collection the week of April 29 and participated in a spirit week. NPI students overall raised \$ 909.44 towards the cause.

MAP testing kicked off on May 1 and concluded on May 16. Students at each grade level took reading and math MAP tests. The fifth grade also completed science testing and the fourth grade completed a writing portion of MAP testing. After the completion of testing students enjoyed a MAP Bash on May 20 that included a movie in the gym, snow cones, cotton candy, and popcorn. Many thanks to staff who helped put together and organize this for our students.

In the month of May, all grade levels attended their individual field trips. The third grade students went to Fort Osage National Historic Landmark and learned about how the fort functioned as an outpost in the newly acquired Louisiana Purchase, housing soldiers to guard the new territory and to protect the United States Factory Trade House there. The fourth grade attended the Mahaffie Stagecoach Stop & Farm. Students learned about the only stagecoach stop left on the Santa Fe Trail and discovered what life was like on an 1860's farm. The fifth grade attended Steam Boat Arabia for their trip. Students learned about the discovery of the ship, items found, and were able to experience how they preserved items found on the discovery.

The NPI Spring Concert was held on May 7 at the high school. Mrs. Tollefson created her program around the theme of friendship. NPI students sang songs that correlated with the theme. Mr. Kauffman had the fifth grade band perform their last performance as fifth graders before heading to the junior high.

Mrs. Lammoglia organized our first Career Fair held on May 17. Students chose four career areas out of twenty-four speakers to attend. Student rotated to each of their sessions and listened to a

brief presentation about the career. After completing their four sessions student completed a resume towards their favorite career option. NPI appreciates all of our presenters for attending and giving up their personal time to engage our students with a variety of career paths.

Grade cards were sent home on May 24. NPI orientation night will be on August 14 at 6:30 pm. I hope everyone has a wonderful summer! The staff and I look forward to seeing everyone in the fall.

Kelly Downing

Junior High

The junior high students, faculty, and staff have completed another successful year of academics and extra-curricular activities. Once again, our students experienced success in many areas. The staff and students really enjoyed our first year in the new building.

State MAP testing recently concluded in the Junior High. Sixth and seventh grade students tested in the areas of math and communication arts, while the eighth grade students tested in math, communication arts, and science. The eighth grade Algebra I students also took the Algebra EOC test. As a reward for an outstanding effort on the MAP test, the NPJH students and staff attended School Day at

(Continued on page 6)

(Continued from page 5)

the K on Thursday, May 2nd, and enjoyed an afternoon in the park on Friday, May 17th.

The Junior High and Intermediate School held their Spring Band and Choir Concert on Tuesday, May 7th at the High School. Both the band and choir had outstanding performances. Junior High students also had the opportunity to attend Worlds of Fun on Wednesday, May 15th.

The end of the year awards program was held on Tuesday, May 24th. Alaina Scroggins and Clayton Rotterman were awarded the eighth grade Citizenship Award, Felicity Alicea and Shelby Mann received the Scholar Musician Award, and Jaylin Burgess and Isaac Harter were recognized as the Scholar Athletes. Students were also recognized for participating in track, academic bowl, various contests, perfect attendance, honor rolls, and high academic achievements in core classes. We are very proud to have 145 students who had 90% or higher attendance for the year, with twelve of them having perfect attendance for the entire 2018-2019 school year.

Junior High Boosters is a group of parents who organize and operate the concession stand at home junior high football and basketball games as well as one home track meet. The pro-

ceeds from the concession stand are used to fund special events for the students throughout the school year. These events include dances, rewards, field trips, etc. For more information on how to get involved, contact the Junior High office at 816-450-3511.

School will begin next year on Tuesday, August 20th. Junior High orientation will be held on Tuesday, August 15 from 5:30 – 7:00 p.m. in the high school commons. Sixth graders and new students to the district are asked to attend beginning at 5:30 followed by seventh and eighth graders at 6:30. Students will have the opportunity to register, pick up schedules, take school pictures, tour the building, and meet their teachers.

Michelle Johnson

High School

Following two days of final exams, May 24 marked the end of the school year at North Platte High School. Our graduating seniors commemorated their last day of school on May 10, with senior breakfast and graduation rehearsal. May 5, Baccalaureate was held for our seniors by the community churches. On May 12, the North Platte R-I School District was proud to present 45 seniors with diplomas. This group of students performed well, both in and out of the classroom, in their many co-curricular and extra-curricular activities. We want to wish them well as they

enter into a new chapter of their lives.

We have had several students honored lately in various contests and competitions. Jakob Scroggins will be one of two delegates attending the Washington, D.C. Youth Leadership Tour sponsored by Platte-Clay Electric Coop. This will be June 14-20, 2019. The Scholar Athlete recognition was held on April 28 at Plattsburg High School. The following students were recognized: Chase Bridger, Tyler Meadows, Truman Byergo, and Jakob Peterson. The Spring Concert was May 8, a great performance by both the band and choir. Our music department provided a wonderful evening of entertainment for the community. Congratulations to Jakob Scroggins who qualified and will be competing and attending National FBLA Leadership Conference in San Antonio, TX the end of June! Congratulations to Christopher Ochoa and Reece Hinton who both received "Gold" (highest possible) ratings on their solos at State Solo Contest. Scholar Bowl KCI Conference recognition goes to Thomas Beale, and Jonas Pelot. Thomas Beale, Jonas Pelot, Reece Hinton, and Truman Byergo received all district recognition for their performance in the district Scholar Bowl. North Platte's Scholar Bowl claimed their first district title since 1999.

The High School end of year awards night was held on May 1. Students were honored for their outstanding work in the classroom and in their extracurricular activities. Many scholarships were also awarded to our seniors. We are very grateful

(Continued on page 7)

(Continued from page 6)

for the support from the North Platte Foundation and the other organizations who presented \$35,000 in scholarships to our students this year. Our Scholar Bowl team represented our school well throughout the season this year. Our baseball team ended their season with a record of 6-12, while pulled off some great wins this year. The track team had an outstanding season that saw five school records broken and culminated in a trip to the State Meet in Jefferson City for Zach Lee, Maddie O'Neill, Trinity Wrightfield, Madi DeBord, Gracie Ramsey, and Haley Sampson on May 17 and 18. The team returned with two state champions (O'Neill in the 400 and the 4x400 relay of O'Neill, Wrightfield, Ramsey, and Sampson) and the girl's team finished fifth overall in Class 2. We are very proud of all of our students as they represented our school and community in the many activities they participated in throughout the school year.

The North Platte High School staff would like to thank our community members for their continued support this year. Our students have once again performed well in many areas of activities and assessments. This would not be possible without the efforts of our parents and patrons in assisting staff and students, while working together to meet our goals throughout the school year. The first day of school next year is Tuesday, August 20.
